WISE AND FOOLISH VIRGINS

by Vicki Shuck, Esperanza Arts

"In working on this painting I thought, "How do I get to be one of the 'wise virgins'? What does it mean to 'be prepared'?" My thoughts took me back to gospels of the past few weeks, and I found my answer in those: being attentive to being in right relationship with my Creator and my brothers and sisters. I need to check my compass each day to see if it is pointing to God's way of love and service, or if I am heading off into the distraction of living for myself." ~ Vicki
