SHARING THE MISSION AT HOME
AND IN THE WORLD

QUESTION OF THE WEEK: How might you as a family work to participate more fully in creating mealtime together?

CHARACTER QUALITIES: TEAMWORK
INCLUSION

ADDITIONAL FAMILY ACTIVITIES: 1) As a family, discuss whether you think there are other people that you know who might want the joy and fullness you experience as a family in coming to mass together? How can you invite them this year - and not give up?

2) Sign up as a family to go along with a Eucharistic minister to take communion to the sick. Discern whether this is a ministry you might be called to as a family.

Vicki Shuck, Esperanza Arts

"No servant can serve two masters. He will either hate one and love the other, or be devoted to one and despise the other. You cannot serve both God and mammon." ~ Luke 16:13
