THE VISITATION

*Vicki Shuck, Esperanza Arts*

*Mary and Elizabeth experienced God entering into their lives in awe-inspiring ways, doing what seemed impossible - we call it "miraculous". While painting this, I thought about how God is present and active in our world and our lives all the time! I need to ask myself: Where was Love present today? Where was a "new birth" in my heart or my mind? Or in someone else's? Where have I seen the power of God doing what we humans are unable to do for ourselves? There are "miracles" big and small if I have the humility to see them! ~ Vicki*
