SHARING THE MISSION AT HOME
AND IN THE WORLD

QUESTION OF THE WEEK: Identify a place or a person where you see dryness. Together as a family use your imaginations to create what it would look like if it sprung into new life? Is there a way you could plant a new seed, or water dormant ones?

CHARACTER QUALITIES: **INSPIRED HEART**
SERVANT LEADERSHIP

ADDITIONAL FAMILY ACTIVITIES: 1) Make a chart of household chores. For one week, practice going beyond what is required of you. Discuss at the end of week the growth in your family as a result. 2) Research where you can find community gardens in your area and volunteer. Or plant a vegetable garden together in your own backyard. Chart daily the growth and the sacrifices it takes to care and cultivate a garden. Also chart the rewards!
