LISTEN & TRUST

Vicki Shuck, Esperanza Arts

*In doing this painting, I reflected on the feeling of being "in the dark" - not really hearing the guidance from God as to what to do next. I am learning that in spite of my confusion, God DOES guide me, much like the apostles were guided to go out to fish - they were just doing what they do. I want God's guidance to be loud and clear - and it so often isn't! It's when I look back that I see Spirit was leading me and I didn't know it. Like the apostles, I need to keep quiet, be aware, listen and trust.*
