THE PRODIGAL SON

Vicki Shuck, Esperanza Arts

*In doing these paintings, I get to sit for hours contemplating the gospel reading - the words reverberate in my mind and heart as I search for ways to put them into images on paper. Depicting the parable of the prodigal son makes me wish for all of you that you do the same - spend enough time with the words and the artwork until you start to grasp the depth of love that God has for you.*
