THE BEATITUDES

Painting Jesus teaching the "blessings and woes", I realized how these often work in my life. The poorer in spirit I am, the more I recognize my need for God, the more assured I am of God's presence and help then the more I experience his peace. Conversely, when I rely only on myself, the more distant from God I go, the more anxious I am. It's no wonder that Jesus said he was bringing "good news to the poor" - it is those who know their need who can hear him!
