THE BEATITUDES

Vicki Shuck, Esperanza Arts

While doing this painting, many of my thoughts centered around the disciples who came to listen to Jesus. I imagined them to be people looking for answers to problems and situations that seem insurmountable, looking for a different and better world for their children - just as so many of us are doing today. In the Beatitudes, Jesus shows them a new way to live. I expect his answer to them is the same he gives us today!
