INCREASE OUR FAITH

Vicki Shuck, Esperanza Arts

As I read the gospels, I notice that whether or not Jesus works miracles seems to depend a lot on the faith of the people receiving them! When he says that a tree can uproot itself and re-root itself in the sea, Jesus turns my ideas of what is possible totally upside down. He invites me to open my mind and heart to true hope and to dare to put all my trust in our God of love and mercy!
